IT Irregular and disordered Menstrusion, cured by Dr Guysott's Extract of Yellow Dock and Sureaparilla. From a practising physician a Elizabethtown Hardin county; Kentucky. John D Park-Dear Sir: I have tried Dr. Gayson's Extract of Yellow Dock and Sarsapa-tilla in my practice for Disordered Mensirua tion, and it to have a very fine effect. In one case there were very atarming convulsion

which occurred in quick succession during the meastrual period; and after the second attack of that kind, I advised the use of Dr Guysott's Extract of Sarsapariila during the interval, and my patient has not had a return of her convutsions since, At the next peroid she felt some STONE WARE, 10,000 gallons stone ware for slight convulsive sensation, but not enough to demand medical attention. Cincinnati, June 20th 1852.—To whom it

may concern; I have watched closely the effect of "Dr Guysott's Extract of Yellow Dock and Sarsaparilla,, as it has been used extensively within my observation, and I am convinced, both from observation and experience, that it is of real benefit to the afflicted. In the cases for which it has been prescribed it has acted with the certainty of a specific, effecting cures that are wonderful. A case has just come under my observation of a child afflicted with eropuons. Its face was one frightful sore, really painful to behold, and the whole system was deranged. "Dr Guysott's Extract of Yellow Dock and Sarsapardia' was administered, and in an incredible short time the face was healed, the constitution restored, and the coun-tenance so improved and beautified as to give MOXIEY & BARBER, it the appearance of another child. This is an unsolicited statement of a single case out of unsolicited statement of a single case out of many that have come under my servation. Scrofula has buffled the skill of the most em-

inent physicians in this country and in Europe. But there is an antidote for this disease in 'Dr. Guysott's Extract of Yellow Dock and Sarsapa tida,' which is proving itself a specific in the most severe cases of Serofula.

The 'Dr. Wistar's Balssin of Wild Cherry' that I bought of you has been of such signal bonedt in my family, that I wish to make its virtues known for the benedt of the public.

My wife took cold at the time of her confinement, which settled on her Lungs. The physicians pronounced her disease consumption.—She had profuse night sweats and had cough, she was given up for we despaired of her recovery, and her child pations of her complaint. She then commenced taking Wistar's Balsan of Wild Cherry,' and three bottles effected an entire cure with her and the child both.

I have no doubt that they would have used Wistar's Balsan of wild cherry. S. R. Sasaor Seth R. Seasor, whose certificate is above, is a man of sea much veracity as any in the country, and a man of good Judgment, and we place entire reliance on his statement. Messrs Harcourt, Howard & Co .- Gents .-
